Date.	To whom sent.	Notes and instructions.

Copy of letter No- RTT- 17 (2), dated the 11th January 1950, from the Assistant Secretary to the GOvt. of India, Directorxate General of Resettlement and Employment Ministsy of Labour, New Delhi, addressed to all Provincial Governments / State Unionsx and Chief Commissioners.

.....

" I am directed to say that the All India Council for Technical Education at its meeting held at Calcutta on the 28th April, 1949 considered a suggestion from the P and T Directorate for the formation of a Central Board like the city and Guilds Institute, London, whibh would conduct examination and award certificates in various engineering and building trades, to skilled craftsman. The Council approved for the suggestion and the Ministry of Labour are axx now examining the question further. In this connection it is noted that already in the various Provinces and States licences are required for the practice of certain trades like those of electric supervisors, wiremen, engine drivers (I.C.), Draughtsmen (Civil), Surveyors, etc., and that x examinations for the grant of the licences are conducted.

2. The Government of India would be grateful if the Provincial /States Union/Chief Commissioner would furnish to this Ministry at a very early date full information in this regard with particular reference to the following points:-

(1) Tradesx in which licenses are issued;

(2) Syllabuses of the courses;

3. Fee charged to candidates

(4) Method of examination i.e. to say whether theoretical or practical or both;

(5) Remuneration paid toexaminers;

(6) Machinery set up for conducting the examinations;

and

(7) Other relevant information.

~~- Yours faithfully~~
